OFFICE OF THE RESIDENT IN MYSORE. BANGALORE. 5 NOV. 1932 Regd. No. 9926 In No. 350/32

From

M.Sultan Mohiyuddin,Esq.,M.A.,LL.B.,M.Ed.,
Ag.Inspector of Schools, Coorg & Bangalore.

To

The Secretary to the Hon'ble the Resident
in Mysore, Bangalore.

Sir,

Subject :- Recognition of Bangalore European High School Examination as qualifying for appointment in the Madras Subordinate Service.

I have the honour to enclose herein copies of letters No.L.Dis.618/31, dated 1.12.1931 and L.Dis.No.948/31,dated 22.7.1932 from the Secretary, Madras Services Commission and also copies of this office No.3413/16-24, dated 30.9.1931 and No.4500/16-24, dated 15.12.1931, to which respectively the former were replies. From the correspondence it is evident that the Statutory Rules issued by the Government of Madras in their Order No.712, Public dated 2.7.1929 have delegated to the Madras Services Commission the authority to consider the cases of candidates from European Schools for eligibility to Subordinate Services.

2. With a view to ascertaining the position of the Madras European High School Examination in regard to recognition for recruitment to public service, I addressed the Inspector of European Schools, Madras, in my No.2225/16-24, dated 18.8.1932, and a copy of his reply No.R.C.369/32, dated 1.10.1932 is enclosed for reference.

3. It is seen from the reply of the Inspector of European Schools, Madras, that the Madras European High School examination is placed at a similar disadvantage. As action has been taken in Madras to move the Government to include the Madra

European High School Examination in the general rules regulating the method of recruitment, I propose that the Hon'ble the Resident may be pleased to make a similar reference to the Government of Madras.

I have the honour to be,

Sir,

Your most obedient servant,

L.Dis. No.618/31, dated 1st December 1931, from the Secretary, Madras Services Commission, Madras, to the Inspector of European Schools, Coorg & Bangalore.

Subject:- Public Services - Subordinate Services - Recognition of outside qualifications -Your letter No.3413/16-24, dated 30th September 1931.

I am directed to state in reply that the orders of 1924 have now been superseded by the Statutory Rules issued by the Local Government prescribing qualifications for selection for appointment to the various services under them. In the Statutory Rules for the Subordinate Services, to which the post of Reserve Deputy Jailor belongs, the minimum general educational qualification prescribed is the S.S.L.C. of the Madras Government with 35% of the marks in the Public Examination in each of the subjects under group "A" and two subjects under "C". Under the same rules persons who do not possess this qualification have to be declared eligible by the Madras Services Commission vide - Rule 3 (b) of the rules and paragraph 2 of the Appendix in G.O.No.712, Public, dated 2nd July 1929 published in the Fort St. George Gazette, Part I, dated 23rd July 1929 as amended by notification No.145, dated 6th October 1930 published in the Fort St. George Gazette, Part I, dated 14th October 1930. According to this Rule Mr. Hutchings is not qualified for appointment as Reserve Deputy Jailor unless he is declared eligible by the Madras Service Commission. If he is a British subject he should apply for such a declaration to the Madras Services Commission stating the place of his brith, the name of his father, the institutions where he underwent his school course and forwarding his certificate of having passed the Senior Cambridge Examination. This position was explained in the Commission's letter dated 2nd July 1931 to the Inspector General of Prisons (copy enclosed) who had addressed the Commission on Mr. Hutchings behalf.

If, however, the candidate is not a British subject, he should apply to the Local Government for sanction for appointment under proviso to rule 3 of the rules referred to above (extract enclosed.).

Letter No.4500/16-24, dated 15.12.1931, from the Inspector of Schools, Coorg & Bangalore, to the Secretary to the Madras Services Commission, Madras.

I have the honour to acknowledge the receipt of your L.Dis.No.618/31, dated 1.12.1931 regarding the recognition of outside qualifications for the Public Services in Madras. You refer to rule 3(b) of the rules and paragraph 2 of the appendix in G.O.No.712,Public dated 2.7.1929 under which you declare that Mr. Hutchings is not qualified for appointment unless he is declared eligible by the Madras Services Commission. But para 2 of the appendix to the order in question does not appear to apply in this case; for Hutchings was educated in Bangalore whereas para 2 of the appendix deals with persons who were not educated in Madras, Bangalore &c &c. The rule which appears to be relevent in this case states that in the case of a person ~~xxxxxx~~ educated at a school in the Presidency of Madras, Bangalore, Coorg and Pudukottai he must have been declared eligible for admission to courses of study at the Madras or Andhra University. As mentioned in my No.3413/16-24, dated 30.9.1931, Mr. Hutchings was was educated in a school in Bangalore, and passed the Bangalore High School Examination in the second class and automatically became equal to a S.S.L.C. Holder under G.O.No.428, Mis. Dated ~~xxxxx~~ 20,3,1924 of the Government of Madras, and to a Matriculate of the Madras University under letter No.3479/dated 10.4.1924 of the Manager-in-Charge, Office of the Registrar, University of Madras, Copies of which were sent to you in the letter mentioned above. Such being the case, I believe Mr. Hutchings is qualified for the appointment. Will you kindly let me know your opinion of the case in the light of the views expressed in this letter. The reference to para 2 of the appendix in question does not seem to apply to this case, and that would appear to be the para on which you base your decision.

Public Services - Subordinate Services - Recognition of outside qualifications -Your letter No.4500/16-24, dated 15th December ~~1931.~~ /931/.

I am directed to state in reply that the European High School Examination was recognised in Article 1 of the Old Public Service Notification as one of the educational qualifications for employment to superior posts in the Public Service. When Article 1 of the Public Service Notification was simplified in 1927, examinations other than that for the Secondary School Leaving Certificate were deleted and the eligibility of persons having passed such examinations became a matter for consideration by the Staff Selection Board under Article 1 (2) of that Notification. This provision has been incorporated in the statutory rules for Subordinate services since issued by the Government, the Madras Services Commission being authorised under those rules to consider such cases. The position set out in my letter No.L.Dis.618/31, dated 1st December 1931 is correct and is according to the views of the Local Government on the subject.

Public Services - Minimum General Educational Qualification - Bangalore European High School Examination - Recognition.

I am directed to refer to the Local Government's letter No.38328/32-4, Public (Rules), dated 30-6-1933 on the subject of the recognition of the Bangalore European High School Examination as a qualification equivalent to the minimum general educational qualification prescribed for admission to the public services in the Madras Presidency. The Local Government have by rules since prescribed as such minimum general educational qualification two examinations (S.S.L.C. with a certain number of marks in certain subjects and a pass in the European High School Examination) which are held under their authority and have left it to this Commission to declare any other qualification as equivalent to the qualifications they have specified. It has been the practice of this Commission to consider, as each case arises whether with reference to the individual's training and the certificate or certificates which he may hold, his qualifications may be regarded as equivalent to the qualification specified by the Government in the rules, but not to declare by a general order a pass in a particular examination as equivalent to those named by the Government. The Commission

has

has considered with reference to your proposal whether any change in the existing practice is necessary, but has come to the conclusion that it is best to continue that practice. I am directed accordingly to suggest that it is open to a candidate who has passed the Bangalore European High School examination to apply to this Commission giving full particulars and enclosing his certificates and if this is done such an application will be considered by the Commission on its merits.
